

Week 3: God is in Control

October 05, 2026

If God is in control of everything, why do we try to control our own lives?

Perspective of Control

Balaak (King of Moab)
Money, fame and power

Balaam (Sorcerer)
Work, Connections, Doing

Israelites
Trusting God (kind of)

Misunderstandings of God's Control

1. God opens and closes doors and pathways for you
2. You can do anything and God will still be in control of your life
3. You need to figure it all out
4. God needs your timeline or your preferences
5. It will always feel like things are under control

Our Response to God's Control

1. Understand what God's control actually looks like
2. Keep the connection strong
3. Let Him take control
4. Don't let your circumstances trick you into trying to take control
